CONFIDENTIAL

20 April 1965

MEMORANDUM FOR: Special Assistant to the Deputy Director
for Support

SUBJECT : Materiel Resources Information Processing System

REFERENCE : Memorandum fr SA-ID/S to D/L dated 20 April 1965,
same subject

1. Considering the preliminary work and the background data that have already been compiled on the subject matter, it is my position that we are ready to proceed immediately with the task confronting us. I propose the following representatives for the Materiel Resources Team for this systems survey:

25X1A

| | | |
|------------|---------------------------|-------------|
| [REDACTED] | /SD/FSB | Full-time |
| [REDACTED] | /SD/FSB | Full-time |
| [REDACTED] | OL/SD/FSB | Full-time |
| [REDACTED] | EO | Part-time |
| [REDACTED] | OL/SD/SMB/IDRS | Part-time |
| [REDACTED] | /ID/S&T | As Required |
| [REDACTED] | L/SD | Part-time |
| [REDACTED] | OF/PSS (to be designated) | Full-time |

25X1A

Representatives from the Office of Communications,
[REDACTED] Office of Medical Services
[REDACTED] utilized as required in their
areas of responsibility.

2. The 29 March 1965 list of requirements and objectives, and such other supplemental items that may be generated by this team, represent the frame of reference from which our materiel resources system should be developed.

3. I plan to locate the Materiel Resources Team in existing space within Quarters Eye for the collection of data, examination of existing procedures, and the development of new procedures for this survey.
